

2023 **GR** *Supra*

Boosted by adrenaline.

Around the track or through the streets, the 2023 GR Supra is ready to unleash the thrill of driving. Now available with a 6-speed intelligent Manual Transmission (iMT) or 8-speed automatic, GR Supra lets you decide how you want to personalize your experience. And with its turbocharged powerplant, impressive braking, road-hugging suspension, bold styling and racing-inspired interior, get ready to get the most out of every corner and straightaway.

Born on the track. Bred for the streets.

Passion fuels innovation, and it's our passion for motorsports that fuels Gazoo Racing (GR), Toyota's global racing division. Racing gives us the opportunity to challenge ourselves — to push the limits and create better cars. Collectively, we grow through every turn of the wrench and every turn of the wheel. This dedication led us to develop GR Supra, making racing-inspired sports cars accessible to the everyday driver and bringing motorsport-inspired vehicles to the streets.

Motorsports DNA

Gazoo Racing started with our unrelenting passion for motorsports, and led to high-performance road cars with the DNA of motorsports. With heavy involvement from professional drivers and a track-proven formula for optimal engineering, the GR series was designed to leave a lasting impression.

Track-tested

Fine-tuned by track-proven drivers and master drivers like Akio Toyoda himself, every vehicle that's earned the GR badge has been thoroughly pushed, honed and perfected through extensive testing at racetracks across the globe.

GR SUPRA A91-MT EDITION

Shift it up a notch.

Celebrate the return of the stick shift in the GR Supra A91-MT Edition. With only 500 units available in either Burnout¹ or CU Later Gray, this edition is definitely one of a kind. Outside, a red Supra badge signifies its uniqueness, while red Brembo^{®2} brake calipers that sit behind new 19-in. Frozen Gunmetal Gray wheels elevate style and performance. Inside, a smooth Hazelnut-colored, leather-trimmed interior and 12-speaker JBL^{®3} audio system help keep you in the driver mindset.

6-speed Manual and Automatic Transmissions

Now available with a 6-speed intelligent Manual Transmission (iMT) or Automatic Transmission that optimizes your revs as you shift, GR Supra puts 382 horsepower⁴ and 368 lb.-ft. of torque at your fingertips.

3.0 Premium shown. Prototype shown with options.

3.0-liter turbocharged inline-six

The fire-breathing heart of GR Supra is its signature, turbocharged 3.0-liter inline 6-cylinder engine. Producing 382 horsepower⁴ with an impressive 368 lb.-ft. of torque, this engine uses smart technologies like a twin-scroll turbocharger, Variable Valve Timing and an electric wastegate, giving you plenty of power and instant response.

PERFORMANCE

Designed to move.

2.0-liter turbocharged inline-four

GR Supra 2.0 features a powerful turbocharged inline-four, rated at 255 horsepower⁴ and 295 lb.-ft. of torque. Compact and lightweight, the dimensions of this powerplant allow it to sit far back in the engine bay, helping GR Supra 2.0 achieve a near-perfect weight balance.

A balanced design

We took extraordinary measures to ensure that GR Supra 2.0 not only had a near-perfect weight balance, but also that its weight was placed in the right areas. Its powerplant was strategically placed to sit as low and as far back as possible, helping keep the car's center of mass, well, in the center of the car, for optimum handling performance.

HANDLING

A true apex predator.

Whether on the track or street, you'll appreciate the roll balance and ride comfort that GR Supra's suspension delivers. Add specially crafted underbody aerodynamics to help reduce lift, and you'll appreciate the details that go into making this sports car stable and planted at speed.

3.0 Premium shown in Absolute Zero.

Adaptive Variable Suspension

GR Supra's cutting-edge available Adaptive Variable Suspension (AVS) "reads" the road a hundred times per second, allowing this sports car to transform from comfortable cruiser to track bruiser and back again — almost instantaneously.

Electronically controlled rear differential

GR Supra features an electronically controlled rear differential for maximum stability and performance. By activating a multi-plate clutch, it can control the locking ratio between both wheels from 0 to 100 percent — giving you control of your driving line with millimeter precision.

Brembo® brakes

Ready to take the heat, GR Supra's available Brembo®² brakes help improve thermal resistance while extending their durability. Four-piston front brake calipers and 2-piece 348-mm. vented front disc rotors help reduce brake fade and give you firm, consistent braking force, on or off the track.

Complimentary 1-year NASA membership

Every 2023 GR Supra comes with a free 1-year membership⁶ to the National Auto Sport Association (NASA). As a member, you will enjoy a host of benefits, including one free High-Performance Driving Experience (HPDE)⁷ through which owners will receive one-on-one driving instructions from a NASA professional driver, and discounted admission to NASA-sanctioned events.

See numbered footnotes in Disclosures section.

A91-MT Edition interior shown. Prototype shown with options.

Sport seats and Supra Connect

GR Supra's available 14-way power-adjustable sport seats help you find that perfect driving position. And you can feel more confident with 4-year trials to Supra Connect⁸; an advanced technology suite that includes Automatic Emergency Calling,⁹ Real-Time Traffic Information¹⁰ and more (paid subscriptions required upon trial expirations). 4G network dependent.

Apple CarPlay[®] compatible

GR Supra 3.0 Premium comes standard with wireless Apple CarPlay^{®11} compatibility. Simply pair your compatible iPhone^{®12} to access your favorite iOS apps directly from GR Supra's 8.8-in. high-resolution display, while staying focused on your drive.

Head-Up Display

GR Supra's available full-color Head-Up Display (HUD) puts crucial information front and center, so you can stay focused on the road. With just a glance, you can see your current speed, navigation info¹³ and safety features.

Supra Command and Integrated Navigation

The Supra Command dial gives you access to GR Supra's key multimedia features. Its available touch-sensitive surface lets you use your fingers to write in addresses for the integrated navigation system¹³ and zoom in and out on the map.

INTERIOR & TECHNOLOGY

An intelligent connection between car and driver.

Designed with the driver in mind, this cockpit features a number of inspired touches and convenient tech to help you get the most out of every drive. From deeply bolstered sport seats to its 8.8-in. high-resolution display and available 12-speaker JBL^{®3} audio system, you'll always take control in comfort.

Screen depiction accurate at time of posting.

Concentrating on the road should always be your first priority while driving.

SAFETY

It's not just the performance that's advanced.

3.0 Premium shown in Nitro Yellow,¹ Renaissance Red 2.0 and Absolute Zero.

3.0 Premium interior shown in Black leather trim.

Smart safety

GR Supra comes equipped with a number of active safety features, including a Pre-Collision System¹⁴ with Pedestrian Detection,¹⁵ Lane Departure Warning with Steering Assist,¹⁶ Automatic High Beams¹⁷ and Speed Limit Information.¹⁸

Driver Assist Package

The available Driver Assist and Safety and Technology Packages' suites of active safety technologies bring added peace of mind to every drive. With the Blind Spot Monitor (BSM)¹⁹ with Rear Cross-Traffic Alert (RCTA)²⁰ and available Cruise Control²¹ or Full-Speed Range Dynamic Radar Cruise Control (DRCC);²² GR Supra's equipped with next-level technology.

3.0 Premium shown in Absolute Zero and Renaissance Red 2.0. Simulation shown.

3.0 Premium shown in Nitro Yellow,¹ Absolute Zero and Renaissance Red 2.0.

Front and rear Parking Sensors

When you're parking, GR Supra's available front and rear Parking Sensors²³ scan for objects that might be hidden from your view. Should the system anticipate a collision, it is designed to emit an audible alert, reduce engine output and automatically apply the brakes.

No cost maintenance plan and Roadside Assistance

Every new Toyota comes with ToyotaCare,²⁴ a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance for 2 years, unlimited mileage.

See numbered footnotes in Disclosures section.

GR SUPRA MODELS

2.0

Includes these key features

Mechanical/Performance

- ✓ 2.0L twin-scroll single-turbo 4-cylinder engine
- ✓ 255 hp;⁴ 295 lb.-ft. of torque
- ✓ 8-speed Automatic Transmission with paddle shifters only
- ✓ Top racetrack speed: 155 mph⁵ (electronically controlled)
- ✓ Active exhaust
- ✓ Launch Control²⁵
- ✓ High-performance Michelin® Pilot® Super Sport tires²⁶ (summer tires) (F: 255/40 ZR18; R: 275/40 ZR18)

Exterior Features

- ✓ 6-lens auto-leveling LED headlights (three low-beam, three high-beam)
- ✓ Built-in rear spoiler
- ✓ Gloss-black auto-folding, heated outside mirrors with memory function
- ✓ 18-in. cast-aluminum 10-spoke wheels with dual-tone finish

Interior Features

- ✓ Smart Key System with Smart Entry and Start
- ✓ Black Alcantara®-trimmed²⁷/leather-trimmed sport seats
- ✓ 8-way manual sport seats with 4-way lumbar and 2-way bolster adjustment
- ✓ Carbon-fiber interior trim
- ✓ Leather-wrapped 3-spoke steering wheel with paddle shifters

Audio Multimedia

- ✓ 4-speaker sound system
- ✓ 8.8-in. display screen with Supra Command featuring AM/FM, Digital Audio, SiriusXM^{®28} with 3-month Platinum Plan trial subscription²⁹ and USB³⁰/Bluetooth^{®31} wireless connectivity

Safety Features

- ✓ Electric Parking Brake (EPB)³²
- ✓ Pre-Collision System¹⁴ with Pedestrian Detection¹⁵ (PCS w/PD)
- ✓ Lane Departure Warning with Steering Assist (LDW w/SA)¹⁶
- ✓ Automatic High Beams (AHB)¹⁷
- ✓ Rearview camera³³ with parking aid lines

Packages

- ✓ Safety & Technology Package (Automatic Transmission): Safety included: Full-Speed Range Dynamic Radar Cruise Control (DRCC);²² Blind Spot Monitor (BSM);¹⁹ Rear Cross-Traffic Alert (RCTA);²⁰ Parking Sensors²³ with Emergency Braking Function technology included: 8.8-in. touchscreen with navigation;¹³ 12-speaker 500W JBL^{®3} audio system with amplifier, touchpad rotary control, wireless Apple CarPlay^{®11} compatible (iOS only), Speed Limit Information;¹⁸ Supra Connect⁸ includes Remote Services;³⁴ Remote Maintenance;³⁵ Automatic Emergency Calling;⁹ Real-Time Traffic Information;¹⁰ Stolen Vehicle Recovery;⁸ Map Updates;³⁶ Paid subscriptions required upon 4-year trial expirations. 4G network dependent.

3.0

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

DISCLOSURES

1. Extra-cost color. 2. Brembo® is a registered trademark of Freni Brembo SpA. High-friction brakes may require additional maintenance, be louder and have a shorter life than conventional brakes, depending on driving conditions. See the Warranty and Services Guide for more information. 3. JBL® is a registered trademark of Harman International Industries, Inc. 4. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher for GR Supra 2.0, and an octane rating of 93 or higher for GR Supra 3.0. If premium fuel is not used, performance will decrease. 5. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. 6. ©2021 Toyota Motor Sales, U.S.A., Inc. NASA membership is non-transferable and expires 1 year after purchase of your 2023 GR vehicle. The 1-day High Performance Driving Event (HPDE) is included as a membership benefit and must be redeemed within 1 year from the time of purchase of your vehicle. NASA membership and complimentary HPDE are not redeemable for cash or any other offer. 7. Valid in U.S. only. For qualified drivers over 18 years of age, with a valid driver's license. Participation in high-performance driving creates a risk of personal injury or death and may cause damage to your vehicle that is not covered by your insurance or warranty. Please refer to your insurance policy and your vehicle's Warranty and Maintenance Guide that describes the terms and conditions of Toyota's New Vehicle Limited Warranty coverage as well as general owner responsibilities. 8. Available on GR Supra 2.0 and 3.0 w/Safety and Technology Package, 3.0 Premium and A91-MT Edition. Includes a 4-year trial period, except Enhanced Roadside Assistance, which is a 2-year period. Enrollment in a paid subscription required upon expiration of trial period. Services are dependent upon an operative telematics device, a cellular connection, navigation map data, GPS signal strength, and other factors, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required for use of Stolen Vehicle Recovery. Apps and services subject to change at any time without notice. Data charges may apply. For service details and limitations, see your *Owner's Manual* or supraconnect.com, and to learn about Supra Connect data collection, use, sharing and retention practices, visit Supra Connect Terms & Conditions. 9. Available on GR Supra 2.0 and 3.0 w/Safety and Technology Package, 3.0 Premium and A91-MT Edition. Includes a 4-year trial period. Enrollment in paid subscription required upon expiration of trial period. Service depends on an operative telematics device, a cellular connection, GPS signal strength, and other factors, all of which can limit service functionality or availability, including access to response center and emergency support. Service subject to change at any time without notice. For service details and limitations, see your *Owner's Manual* or supraconnect.com. To learn about Supra Connect data collection, use, sharing and retention practices, please visit Supra Connect Terms & Conditions. 10. Available on GR Supra 2.0 and 3.0 w/Safety and Technology Package, 3.0 Premium and A91-MT Edition. Includes a 4-year trial period. Enrollment in a paid subscription is required upon expiration of trial period. Navigation must be functioning, and destination entered for service to function. Service depends on an operative telematics device, a cellular connection, GPS signal strength, and other factors, all of which can limit system functionality or availability. Services not available in every city or roadway. Use common sense when relying on information provided. Service subject to change at any time without notice. For service details and limitations, see your *Navigation System Owner's Manual* or supraconnect.com. 11. Available on GR Supra 2.0 and 3.0 w/Safety and Technology Package, 3.0 Premium and A91-MT Edition. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® is a registered trademark of Apple Inc. 12. iPhone® is a registered trademark of Apple Inc. All rights reserved. 13. Not available on Supra vehicles with a 6.5-in. display screen. Includes a 4-year trial period. Enrollment in paid subscription required upon expiration of trial period. Service depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength, and other factors, all of which can limit service functionality or availability. Service not available in every city or roadway. Use common sense when relying on information provided. Service subject to change at any time without notice. For service details and limitations, see your *Navigation System Owner's Manual* or supraconnect.com. 14. The Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 15. The Pedestrian Detection system is designed to detect a pedestrian or bicyclist ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. 16. Lane Departure Warning with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert, and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 17. Automatic High Beams are activated under specific conditions. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. 18. Do not rely exclusively on the Speed Limit Information (SLI) feature. SLI provides information to the driver when data is available. Effectiveness is dependent on many conditions. Use common sense when using SLI and follow posted speed limit signs. See *Owner's Manual* for additional limitations and details. 19. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. 20. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. 21. Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. 22. Full-Speed Range Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. Vehicles with manual transmission have regular DRCC. See *Owner's Manual* for additional limitations and details. 23. The Parking Sensors system is designed to assist drivers in avoiding potential collisions at very slow speeds. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Parking Sensors system to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. 24. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their Maintenance Guide. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. 25. Launch Control is not intended for use on public roads or for repeated short-interval use. See *Owner's Manual* for additional limitations and details. 26. 18-in. performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy or 20,000 miles, depending on driving conditions. 27. Alcantara® is a registered trademark of Alcantara S.p.A. 28. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 29. SiriusXM trial length and service availability may vary by model, model year or trim. 30. May not be compatible with all mobile phones, MP3/WMA players and like models. 31. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 32. When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See *Owner's Manual* for additional limitations and details. 33. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 34. Available on GR Supra 2.0 and 3.0 w/Safety and Technology Package, 3.0 Premium and A91-MT Edition. Includes a 4-year trial period. Enrollment in paid subscription required upon expiration of trial period. Services depend on an operative telematics device, a cellular connection, GPS signal strength, and other factors, all of which can limit system functionality or availability. Services subject to change at any time without notice. Data charges may apply. For service details and limitations, see your *Owner's Manual* or supraconnect.com, and to learn about Supra Connect data collection, use, sharing and retention practices, please visit Supra Connect Terms & Conditions. 35. Available on GR Supra 2.0 and 3.0 w/Safety and Technology Package, 3.0 Premium and A91-MT Edition. Includes 4-year trial period for Battery Guard and 2 years for Roadside Assistance. Enrollment in paid subscription required upon expiration of trial period. Services depend on an operative telematics device, a cellular connection, and other factors, all of which can limit system functionality or availability. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. Services may vary by region and are subject to change at any time without notice. Data charges may apply. For service details and limitations, see your *Owner's Manual* or www.supraconnect.com. 36. Available on GR Supra 2.0 and 3.0 w/Safety and Technology Package, 3.0 Premium and A91-MT Edition. Includes a 4-year trial period. Map updates based on your current North American region. If you relocate to a new region, the user region will be updated automatically after 45 days in that region. You can also visit your Supra dealer to have your map data manually updated, which may be at an additional cost to you. Map updates unavailable upon the expiration of the trial period, after which enrollment in a paid subscription is required, which provides up to 4 map updates per year. Service subject to change at any time without notice. Data charges may apply. For service details and limitations, see your *Navigation System Owner's Manual*. 37. 19-in. performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy or 20,000 miles, depending on driving conditions. 38. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. 39. Voice recognition capabilities vary by head unit. 40. Available on GR Supra 2.0 and 3.0 w/Safety and Technology Package, 3.0 Premium and A91-MT Edition. Apps available only on iOS devices, vary by phone carrier, and are subject to change at any time without notice. Data charges may apply. See supraconnect.com for details. 41. Android is a trademark of Google LLC. 42. Genuine Toyota Paint Protection Film by 3M™ is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Toyota Genuine Accessory Warranty only applies when installation is performed by a trained Toyota-approved installer. See Toyota dealer for details. 43. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 44. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). 45. Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details. 46. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be

DISCLOSURES

costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. **47.** Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **48.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **49.** Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **50.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **51.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details. **52.** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 (AKI) or higher. If premium fuel is not used, performance will decrease. If unleaded gasoline with an octane rating of 91 (AKI) is not available, unleaded gasoline with an octane rating of 89 (AKI) may be used. See *Owner's Manual* for details. **53.** EPA-estimated 25 city/31 hwy/27 combined mpg rating for 2023 GR Supra 2.0; EPA-estimated 23 city/31 hwy/26 combined mpg rating for 2023 GR Supra 3.0 AT and 3.0 Premium AT; EPA-estimated 19 city/27 hwy/21 combined mpg rating for 2023 GR Supra 3.0 MT, 3.0 Premium MT and A91-MT Edition. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **54.** 3.0 and 3.0 Premium Automatic Transmissions only.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

Mobility

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Brand Engagement Center at 1-800-331-4331
